SPEED CAMP

Speed Camp this year will be conducted by the H.M. King High School coaching staff members in accordance with the UIL rules.

The instruction given will be generalized and not sport specific. Although the instruction will be general, every sport uses the same basic foundations such as sprinting, lateral movements, endurance, and jumping.

The program will be structured to enhance the athlete's needs with focus on setting and obtaining goals. The athlete's self-confidence will increase due to their increase in physical activity.

Commerical programs enhance the same foundations as mentioned above but at a higher cost to each individual. With similar programs being conducted by school personnel, the cost is lower and funds generated stay within KISD.

The summer SPEED CAMP will be conducted at H.M. King High School on the athletic fields and weight room. Two sessions are scheduled each day on Monday, Tuesday, Wednesday, and Thursday.

The camp will start **June 06** and end on **July 21**. We will not have camp on the week of July 4th.
