

## STUDENT AGREEMENT FOR ACCEPTABLE USE OF THE ELECTRONIC COMMUNICATIONS SYSTEM

You are being given access to the District's electronic communications system. Through this system, you will be able to communicate with other schools, colleges, organizations, and people around the world through the Internet and other electronic information systems/networks. You will have access to hundreds of databases, libraries, and computer services all over the world.

With this educational opportunity comes responsibility. It is important that you read the District policy, administrative regulations, and the agreement form and ask questions if you need help in understanding them. Inappropriate system use will result in the loss of the privilege to use this educational tool.

Please note that the Internet is a network of many types of communication and information networks. It is possible that you may run across areas of adult content and some material you (or your parent) might find objectionable. While the District will take reasonable steps to restrict access to such material, it is not possible to absolutely prevent such access. It will be your responsibility to follow the rules for appropriate use.
