### **Thirtyseven4 Antivirus - Introduction**

Thirtyseven4 Antivirus is a comprehensive, powerful security suite built with the latest state of the art technologies. Thirtyseven4 AntiVirus combines AntiVirus, AntiMalware, AntiSpyware, AntiRootkit and Privacy Protection all in one to maximize protection on your Windows desktop and/or Windows server.

**Our children are our most treasured possessions.** It makes sense that we strive to keep them as safe as possible in their endeavors. Thirtyseven4, LLC is a trusted security source in the field of education. We take our commitment to schools very seriously and we have built and shaped many of our products to specifically meet the needs of administrators, teachers, and students. Ongoing collaboration with elementary and secondary I.T. directors ensures that Thirtyseven4, LLC is completely current with today's educational technology needs and is staying on the cutting edge of tomorrow's security issues.
