

Mission Statement

The mission of Kingsville Independent School District is to graduate responsible and productive citizens who are college and career ready.

Vision Statement

The vision of the Kingsville Independent School District is to become the best district in the United States.

J.R Perez Elementary School's Mission is to keep our students' needs our number one priority. Perez Elementary is a school characterized by high expectations in academics, citizenship, and technology through a supportive, positive, safe and drug-free environment in order to inspire and instill a desire in our students to become independent life long learners.

J. R. Perez Elementary Student Creed

I am a Perez Elementary student. I have great expectations for myself.

Yesterday's failures are behind me. Today's successes are now before me.

I am full of possibilities and potential. There is no limit to what I can achieve. I accept the responsibility for my behavior and its results. I do not have the right to interfere with the learning and well being of others.

With my teachers and family, I will determine what I will become. The choices I make today affect all the tomorrows of my life.

This is my time and my place. I pledge to use each day to its fullest.
